#### In the Tunnel

In the compartment of a train travelling through the countryside, there were four people - a young girl, an old lady, an army officer and a young man.

Suddenly the train went into a tunnel: for half a minute it was in complete darkness. And in the darkness the sound of a large kiss and a loud slap came.

When the train came out and it was light again, everybody saw the officer with a bleeding nose and a swollen eye. The old lady thought that the young girl hit the officer because he kissed her.

The young girl thought it was strange that the officer kissed the old lady and not her. The poor officer thought that the young man kissed the girl and the girl hit him. And the young man laughed at the trick he had played. "I'm a clever man," he thought. "I kissed the back of my hand, hit the officer in the face and nobody said a word."

*a kiss* - поцелуй

*a slap* - шлепок

*a bleeding nose* - нос, из которого течет кровь
